Re: **Tender - Skid Steers Lease (2 machines)**

The Town of Yarmouth proposes to lease two new 2026 or current model year rubber tire Skid Steer loaders for the Compost Facility. The leases will include a two-year term with the option to extend monthly (to a maximum of 12 months). The leases shall include full warranty and a full-service contract during the entire two-year term.

Items requiring special mention are as follows:

- a) The supplier is to indicate manufacturer and model upon which they are basing their tender price, as well as the anticipated delivery date. Any variation from the mandatory features must be noted on the bid and may be cause for rejection. One copy of the manufacturer-published specifications shall be included with the tender.
- b) The supplier is required to submit prices based on 24 equal monthly installments and shall include a cost breakdown for each machine.
- c) Public opening of the tenders received will be immediately following the tender closing in Council Chambers at 400 Main Street, Yarmouth, Nova Scotia.
- d) The tender closing date will be **Thursday July 9, at 3:00 p.m.** Tenders are to be returned to the office of the Chief Administrative Officer, 400 Main Street, Yarmouth, Nova Scotia, B5A 1G2 in a sealed envelope clearly marked "**Tender – Skid Steers lease for Compost Facility.**" Late tenders will not be considered and will be returned unopened. Fax or telephone bids will not be accepted.
- e) If the equipment supplier is not interested or unable to tender, then they shall return the attached form indicating such is the case.

The lowest or any tender may not necessarily be accepted. Such things as experience/performance with manufacturer's equipment, references, delivery dates, service and parts availability will all be taken into consideration when awarding this tender.

If you have any questions, please do not hesitate to contact the undersigned at telephone number 902-742-7525.

Yours truly,

Chad E. LeBlanc
Director of Operational Services
