

ADDENDUM

TO: BIDDERS
FROM: Chad Leblanc, Director of Operational Services
SUBJECT: TOY - Collection of Source Separated Municipal Solid Waste 2025 – Addendum #1
DATE: February 21, 2025

Please note that the delivery address on page 5, section K for recyclables has been amended to the following:

- (K) Recyclables will be collected in blue bags **and delivered the transfer station building located at the Yarmouth County Solid Waste Park, 1934 Hardscratch Rd.** Paper fibre materials such as newsprint and corrugated cardboard are to be collected in a separate bag or flattened and bundled. Recyclables are those materials accepted by the materials processing facility as defined in Appendix "B" Recyclable Materials. Paper and cardboard are to be separated from the remainder of the recyclables in the collection vehicle and are to be dumped separately on the tipping floor at the transfer station building.

A handwritten signature in black ink, appearing to read "Chad Leblanc", is positioned above the printed name.

Chad Leblanc
Director of Operational Services
