The Yarmouth Transit System runs using a "Flag Stop" system...

- Yarmouth Transit customers may choose to board and depart the bus at designated stops or create a flag stop.
- Anywhere, with the exception of, the "No Flagging Areas" identified on the map, customers can 'wave' the bus down.
- When you want to flag the bus**
- *find a safe location along the route
 - *Stand on the side of the road that the bus is traveling
 - *Wave at the bus
- When you want to depart the bus**
- *Ask the driver to find a safe place to stop close to where you wish to get off.

***A safe location is one where visibility is good and where the bus can easily stop
